

2024 Pit Vehicle Registration and Release

In consideration of being permitted to utilize and operate a motorized pit vehicle on Brainerd International Raceway & Resort property, I _____, the vehicle owner:

1. Acknowledges and agrees that all operators of said pit vehicle(s) shall be at least 16 years of age, have a valid state-issued drivers license and carry adequate general liability insurance applicable to the operation of their pit vehicle(s) and that all operators shall provide such drivers license, proof of insurance, and other applicable credentials upon request of any Raceway/Event Official or Security personnel.
2. Acknowledges and agrees that the vehicle(s) will be operated at all times in compliance with the vehicle(s) manufacturer's operators instructions and/or industry standards including those regarding riding/driving position and number of passengers. Brainerd International Raceway & Resort reserves the right to reject any motorized pit vehicle depending upon its design, condition, appearance or construction.
3. Hereby assumes full responsibility for any risk of bodily injury, death or property damage arising out of or related to the use of said vehicle(s) whether caused by the negligence of owner and/or their operators or otherwise.
4. Hereby agrees to hold harmless Brainerd International Raceway & Resort, its owners, sponsors, staff and other pit vehicle operators from any loss liability, damage or cost they may incur arising out of or related to the use of said vehicle(s) whether caused by the negligence of the owner, their operators, or otherwise.
5. Hereby acknowledges that the use of motorized pit vehicles is dangerous and involves the risk of serious injury and/or death and/or property damage.
6. Acknowledges that all registered pit vehicles must display the registration tag (and the owner's competition number, if any) in a clearly visible location/manner.
7. Agrees that the pit vehicle(s) will be operated in a responsible manner and according to all Brainerd International Raceway & Resort rules, including, but not limited to, posted speed limits, hours of operation and allowed locations for operation. Pit Vehicles operated after dusk/sunset must have a working headlight and taillight. Flashlights do not qualify as a legal headlight or taillight.
8. Acknowledges and agrees that unsafe or improper operation of the pit vehicles will result in penalties against the owner and/or operators including, but not limited to, immediate impoundment of the pit vehicle, loss of racing privileges for the day for a first offense, and for the season for a second offense.
9. BIR's insurance company is now requiring all motorized vehicles (gas or electric) to have a flag attached at all times while operating on BIR property. Flag size is to be **NO** less than 10"x14" rectangle/triangle or 14"x14" square with a height off the ground of no less than 66 inches to the top of the flag.
 - a. Exclusion from this rule and do **NOT** need a flag are:
 - i. Vehicles that are registered, have proof of insurance, and have current registration to operate on Minnesota highways.
 - ii. Vehicles that are registered in the event as a race competitor.
 - iii. Vehicles that have a roof that exceeds 66" in height.
 - iv. BIR Official Vehicles that are being used on the racing surfaces.
